

# Saving Internet Explorer Bookmarks

1. Open Internet Explorer
2. Click FILE in top toolbar  
(IF using IE 7 or 8, click Add to Favorites button (pictured here).
3. Choose IMPORT/EXPORT

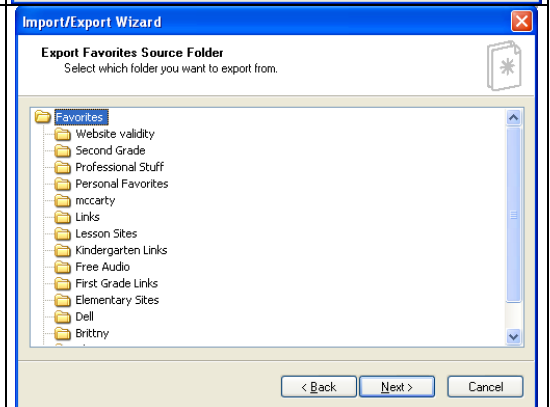

Internet Explorer 7/8 screen shot.

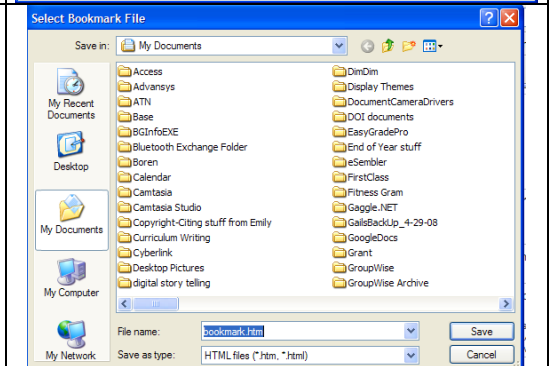

4. Click NEXT to start the wizard
5. Choose EXPORT FAVORITES
6. Click NEXT

7. Click on the first folder named FAVORITES
8. Click NEXT

9. Select EXPORT TO A FILE OR ADDRESS
  10. Click BROWSE
  11. Choose to save it in My Documents.
  12. Click SAVE/Finish.
- Note: It will automatically save it as "bookmarks.htm" as the file name.**

This will create a .htm file that will look like this:

- Save this *bookmarks.htm* file on your USB Portable drive ("flash drive" or "thumb drive").
- Import onto new computer if needed using these same instructions except select Import Favorites rather than Export Favorites.
